\*\*This is an example. Your form might look different depending on your testing location. However, your submission must include 2 tests and 2 results OR a single QuantiFeron test.

5. TB Skin Test

[Merged-TDL-Files--20240119](#)

[Override](#)

Rejected

Thank you for your submission.  
The QFG blood test submitted is not dated within the past 12 months which is required per your school guidelines.  
Please revise and resubmit.

- ➡ QuantiFeron tests must be administered within the past 12 months. If you receive this rejection, please complete a new QuantiFeron test or 2 separate TB tests and upload the results for review.

5. TB Skin Test

Due Date: 06/30/2019

[Merged-TDL-Files--20231226144712.pdf](#)

[Override](#)

Rejected

Thank you for your submission.  
You have submitted a positive QuantiFERON GOLD TB blood test.  
For approval, please submit a Clear Chest X-Ray and TB Questionnaire.

- ➡ Positive QuantiFeron or TB tests will be rejected. If your test is positive, you must upload a clear chest x-ray and the TB Questionnaire found on CastleBranch or the Welcome Packet

6. TB Skin Test - Renewal

Due Date: 01/03/2024

[Merged-TDL-Files--20240105214407.pdf](#)

Rejected

Thank you for your submission.  
You have submitted a T-spot blood test.

- ➡ T-spot blood tests are not acceptable. If you receive this rejection, please complete 2 separate TB tests or a QuantiFeron test and upload to CastleBranch for review.
